## Broken Brackets

A broken bracket means the brace has come loose from the tooth. This happens when too much pressure is put on the brace.

The broken brace usually occurs when the food you're chewing is too hard or crunchy. It may not necessarily be noticed just then, but that is when it usually occurs. It can also happen when you're chewing on a pencil.

Braces are actually quite difficult to place on the tooth correctly. It takes time and care. So, repairing a broken brace is a bit of extra work; which takes extra time.

Your appointments are always scheduled for a specific activity and only so much time is allotted for it. If something extra is needed, there may not be enough time for anything else.

If you have a broken brace, it is better to call us beforehand. That way, we can schedule a specific appointment to repair it.

## FEB. EVENTS

Valentine's Day is Saturday, Feb. 14<sup>th</sup>. Be sure to give Mom and Dad a great big valentine's kiss to tell them you love them.

Christian Youth Theater is presenting the play Pocahontas from March 18<sup>th</sup> – 21<sup>st</sup>. It will be at Eastlake High School's Ruth Chapman Performing Arts Center. For tickets call (619) 588-0206.

## New Office

The design plans for the new office on I Street have been approved by the Planning Department of Chula Vista. We are all extremely happy about that. We had mini-celebrations everyday last week.

I plan to post pictures of the progress, so everyone can watch it being built. The pictures should be from the same position each month.

## **NEWS FLASH:**

Cassie Lara just got back from a cheer competition in Maui, Hawaii. Her team of 14 cheerleaders placed 1<sup>st</sup>. She stayed there for a week and roomed with three other girls. She was careful not to lose her retainer on the trip.

## **NEWS FLASH:**

Oscar Luna recently traveled with the Mar Vista High School Marching Band to Costa Rica. It was to perform in the Festival de la Luz parade.

The trip was made possible because of the support of the band's parents as well as the hard work and determination of the band's members. Their director, Mr. Rodriguez, got

together with the school's director of culture, Mr. Arce, to make this happen.

Oscar did a little sight-seeing while there. He got to see some beautiful green scenery, an active volcano, a coffee plantation, and a spectacular waterfall.

Oscar would like to say Thank You to all the Costa Rican families who took care of the band while they were there.

*Ed.: they can pull this story up on the web.*
